

**AETNA FREIGHT LINES, INC.
MAINTENANCE ESCROW OPTION**

Having optional money accumulated and on tap when you have a breakdown, blow a tire, buy plates, etc. is always easy. Many Americans have extra money withheld through their income tax deductions because they feel that what they don't see, they won't spend.

Aetna Freight Lines, Inc. has developed an optional Maintenance Escrow program that works on this principle. You can activate this option by giving us your written permission to withhold monies. The monies that are held in this account are available to you at any time during normal business hours.

If you wish to establish a Maintenance Escrow, please complete the attached form and return it to Settlement Department, Aetna Freight Lines, Inc., 2507 Youngstown Road, Warren, OH 44482.
